GROUP POETRY

Read together with a group.
Designate a Leader to read the *italicized lines*.
Everyone else reads the **bold lines**.

In the Bible, stories we find

**People who worshipped
with heart and with mind**

*From David who danced
with joyful delight*

**To those blind who Jesus
gave miraculous sight**

*In word or deed,
beyond music and song*

**Worship is a way of life
where we belong**

*With God and others -
we remain strong*

***In our faith, in our joy,
all the day long***
