POEM: THE GIFT OF GOD'S EARTH

by Cortney Kenow Heerwald

insta: cortneykenowheerwald

God made the earth and
blessed it
Seeing all the goodness in it
Offering as a gift to us
The joy to walk within it

All that lies above
And all that lies below
Tell of God's vast love for us
To put on such a show

The kaleidoscope of colors
As the sun leaves the sky
The mysteries of the sea
Brought in by ocean tides

All that makes us gasp in awe
And wonder at such beauty
All that makes us clap our hands
And sing with voices mighty

We thank you God
for all your gifts
Given us each day
We worship you for who you are
And for all that you have made
