WORSHIP CHECK-IN FOR FAMILIES OR GROUPS

Before Worship Gathering

- What do you like best (and least) about worshipping at our church?
- Do you have a favorite way to get ready for worship at church?
- Is there anything you'd like to do or say or add to our church's worship gathering?

After Worship Gathering

- What is one thing that made you feel happy about worshipping at church today?
- What else did you feel during the worship gathering?
- Was there anyone that made you feel like you belonged? How?
- How did you experience God today? What did your worship look like?
