POEM - CONFESSION

Confession

by Cortney Kenow Heerwald (insta: cortneykenowheerwald)

In times like these
I must confess
Sometimes I feel
like such a mess

And yet I know you see me here
And tell me that I should not fear

For your love is greater
Than any mistake
And you look at me with
compassion and grace

And when I come with open hands
And offer you all that I am

You call me Beloved
And I am set free
To become even more
Who you made me to be
